All Lines are subject to credit and income approval. Maximum loan-to-value (LTV) is based on credit history and appraised value. Maximum LTV is based on credit score up to an 89% combined loan balance of all liens. Home Equity Lines of Credit are secured by your residence that is held as collateral. Interest rate is variable based on predetermined margins added to the prime lending rate which is published in the Wall Street Journal and may vary quarterly. Actual margin is based on the home's loan to value ratio, lien position, owner occupied status, applicant's credit history and the amount of the credit line. Your home must be a single-family, owner occupied residence. Manufactured homes do not qualify. Hazard insurance is required. Flood insurance where applicable, is required. Borrower responsible for costs to resolve title issues and structural inspection, if necessary. Additional terms and conditions may apply. Please contact the credit union for additional details about credit costs and terms.

We invite you to Establish a Better Relationship with us in 2014.

We are committed to helping you meet life's financial challenges. If you bank at more than one financial institution, occasionally it pays to access whether your Financial Institution is meeting all your needs. It is important to ask ourselves *Am I paying too much interest on my credit cards? Should I review refinancing my mortgage? Is it a good time to purchase a new car? Have we thought about how we are going to send our children to college? Are the bank fees we pay really necessary? What is an equity line and how can it benefit us?*

In our ever changing world, circumstances can change in our lives. As responsible individuals we must ask these questions, whether we are adults, parents or grandparents. We live in such a fast paced environment, it is important to take the time to make sure your financial products are meeting your needs. You don't want to second guess your financial well being. We encourage you to contact us today and receive your FREE annual Financial service check-up.

Contact our Member Services and find out how you can improve your RELATIONSHIP!
